RE: ADJUSTMENT OF THE REPORTING DATE FOR STUDENTS ADMITTED FOR MAY INTAKE 2024 AS WELL AS ALL CONTINUING INSERVICE STUDENTS.

In accordance with the recent communique issued by the Permanent Secretary of the Ministry of Education and Sports, regarding the forthcoming National Population and Housing Census scheduled to take place from 10th May to 20th May 2024. Whereas we understand the objective of census in shaping policy decisions and resource allocation for the development of our nation, Management has resolved as follows;

- i) May intake for regular students shall begin on the 13th May 2024 thus disregard the earlier communicated date (06th May 2024).
- ii) All in-service students (Continuing and Fresh) shall report on the 13th May 2024.
- iii) Examinations for continuing in-service students shall start on the 16th May 2024 and thus students are informed to start clearing.
- iv) All students scheduled for examinations administered by the Uganda Business and Technical Examinations Board (UBTEB) are hereby informed that their examinations will proceed according to the previously established timetable unless notified otherwise by the Directorate.

NOTE:

All Faculty Deans and in-service coordinators are requested to adjust and make prior preparations for May intake 2024.

Regards,
