Re: Mourning the Loss of Hon. Sarah Mateke Nyirabishitsi, Co-founder Metropolitan International University and Minister of State for Defense.

It is with deep sorrow that we announce the passing of Hon. Sarah Mateke, our esteemed Co-founder and chairperson of the Board of Directors and Minister of state for Defense and Veteran affairs, Hon. Sarah has been a pillar of strength and guidance to Metropolitan International University, and her loss is deeply felt across our entire community.

In honor of her memory and in recognition of her immense contributions to our institution, we invite family, friends, and well-wishers of Metropolitan International University to join us in mourning our own.

As a mark of respect, all university activities be suspended, except teaching and student registration, for the entire week. This pause will allow our community time to reflect and mourn this significant loss. Please note that, except for the Mbarara and Kampala campuses, the Kisoro campus will remain closed on Wednesday and Thursday, with no activities taking place.

We extend our heartfelt condolences to Hon. Sarah Mateke's family and friends during this difficult time.

May her soul rest in eternity.
