POSTPONEMENT OF ALUMNI MEETING AND ELECTIONS.

We wish to inform you that the upcoming Alumni meeting and elections, initially scheduled to take place on 5th October 2024 have been **postponed to 26th October 2024**. This decision has been made to allow us ample time to **mobilize all Alumni students** across the country and to provide an opportunity for contestants to effectively **campaign and mobilize votes**.

In addition, we will be having a **joint meeting** for Alumni from all three of our campuses. Therefore, the **new venue** for the event will be at **Avance International University Grounds, Kampala**.

We appreciate your understanding and encourage everyone to take part in this important gathering and election process. Your participation is crucial for the success of our Alumni Association.

Thank you for your cooperation.
